WORK EXPERIENCE

Dancer and Social Media Head

DJSCE Dhadak

2022-Present

- I have had a great opportunity to be a part of our college's dance team. As a dancer in the team I have attended many competitions and social events like workshops and flashmobs. Being a part of Dhadak has helped me improve my social interaction and team member skills *2023-Present*
- Being at the head position has given me the chance to work on my team management skills. It has taught me how to balance academics and college with extracurricular activities. In this position I have been able to curate unique content that has given a good reach to the team's Instagram page. I have been able to express my creative ideas through this role to others.

Mini Projects

Mentorship platform

- Using html, CSS and vanilla JS a mentorship platform was made along with my team mates. The link is <https://learniverse.netlify.app>
